INTRODUCTION TO CLINICAL PHARMACOLOGY

Emphasizing safe and effective drug administration, Introduction to Clinical Pharmacology, 8th Edition helps you understand the principles of pharmacology and avoid making medication errors. It promotes safety by showing how drugs and drug classes work, rather than asking you to simply memorize information about individual drugs, so you can understand why drugs are given, as well as when they should and should not be given.

Introduction to Clinical Pharmacology, 8th Edition

The one pharmacology textbook actually written for the LPN scholar, Roach's Introductory Clinical Pharmacology, helps nursing school college students every step of the easiest way to understand one of many troublesome content material materials areas inside the pharmacology curriculum.
