Paper is a thin material produced by pressing together moist fibres of cellulose pulp derived from wood, rags or grasses, and drying them into flexible sheets. It is a versatile material with many uses, including writing, printing, packaging, cleaning, decorating, and a number of industrial and construction processes. Papers are essential in legal or non-legal documentation.

Similar to the salvation bracelet, this child evangelism idea is based on the same colors as the Wordless Book. This gospel presentation uses paper airplanes to share the message of salvation with children. When Jesus taught his first disciples, he used things they were familiar with, like sheep, fish and bread.
